

We Bring Leather to Life.

i-Mirro Slim Leather Plate with Leef Switches

Drawing its design philosophy of clean and simple from the natural form of the leaf, this LEEF range of modular inserts brings comfort and class together. Accentuated with its outer leather body, this range adds a warm yet uncharacteristically unique look to your interiors. A material that has existed in our lives since the earliest civilizations, we're naturally inclined to be fascinated with leather and its charm that adds to today's contemporary design.

Reach Out and Touch Marble.

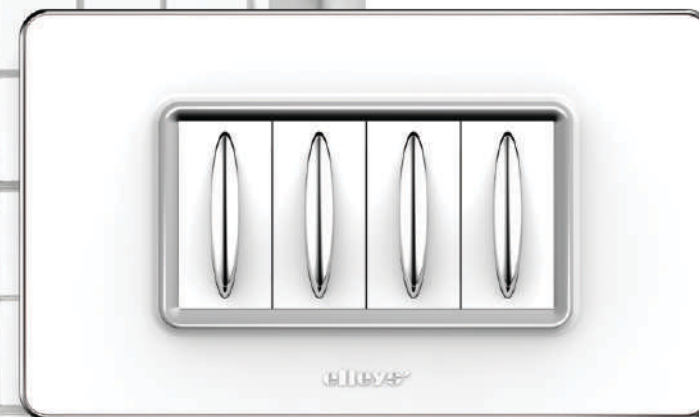

Marble

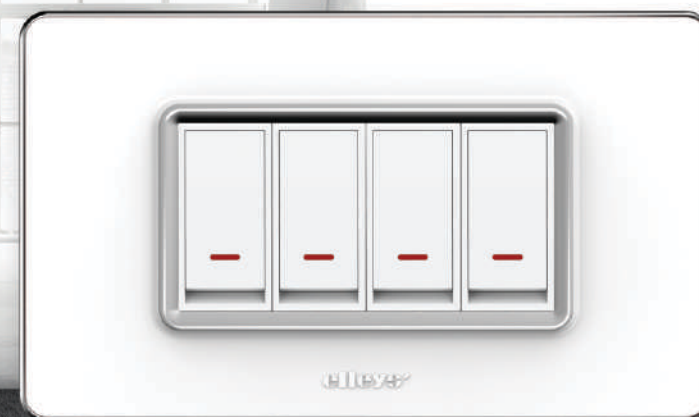

i-Mirro Slim Marble Plate with Leaf Switches

The LEEF range of modular inserts is minimalistic without compromising on function. Inspired by the clean, clear contours of a leaf, this premium range is now accented with marble, bringing a stately sense of charm to it. Ideal from boardrooms to drawing rooms, select this range to bring a sense of grandeur and class to every room you put it in.
